

Parading Warrior

Ever wake up
hung over
and hung up
full of silly
ready to race
but her mouth's
stuck with sleep
and her pussy
a shrivled mass
of matted hair
oblivious to
lance up
parading
warrior
poised to conquer mountains
of squealing maidens
it it came
to that?

Rita

The place this form takes
fills in,
reminds
of space emptied
by aunt Rita.
That she was ignored
in pain, fear,
eats at every corner,
fiber of my
bagged soul.

Talon Zipper

For skirt
or neckline.
Nine inches
long. Metal.
Zips like magic.
Instructions
and price
see other side.

Flyswatter

Round-headed
flyswatter has
hole in center
like ack-ack
gun sight but
I dont aim
I swing cussing
like a punched
out fighter
spine tensed
for what
must come.

Make-up Man

What he's
at is an
act, a play,
an outside
job of re-
furbishing
each wrong face
as it turns
up god-fashioned
yet unacceptable.
